**These are our core culinary philosophies we abide by every day,
while preparing our menus for our Océano Restaurant.**

**We are passionate to make sure that every guest who takes a seat
in our home receives an excellent culinary experience,
with service that comes straight from our hearts and souls.**

**Our cuisine follows the trend of the modern day “Real Food” style.
We are lucky to be living and sourcing most of our products from a paradise,
the paradise of New Zealand.**

**We support the fishing boats that are fishing sustainably for our daily catch.
We have butchers selecting the best quality meats for us, and for other
quality products, we don’t need to look much further than the artisan
suppliers and vineyards in the surrounding region.**

**We aim to take your taste buds on a rollercoaster journey, whichever path
or dish you choose.**

We are here, not just to meet your expectations, but also to exceed them.

Yours sincerely

Jeff Scott Foster

**We are happy to prepare most dishes gluten free upon request.
Please let our service team know of any allergies you may have
so we can tailor your dish accordingly.**

**We believe that our dishes are seasoned just right.
If you prefer additional seasoning please ask our service team
to provide you with salt and pepper grinders.**
